STUDENT/PARENT EXPECTATIONS:

1. The Odyssey Dance Academy competition team is a year-long commitment. Dancers are expected to attend all classes, rehearsals, and scheduled competitions through the months of September-July.
   Early termination of contract (unless in case of serious injury or illness) will result in loss of competition team deposit (if applicable) as well as a probationary period for the dancer, should he or she desire to rejoin the team the following season.
2. Team members will be required to continue with class and rehearsal requirements throughout the year, including scenarios where classes become fully virtual once again.
3. Dancers are allowed 3 missed rehearsals throughout the course of the year. Any rehearsals missed past that will require a paid, private one-on-one lesson with the choreographer.
4. Dancers are expected to arrive at the competition location 1.5 hours before their performance time. Occasionally competitions will run early, and dancers need to rehearse prior to going on stage.
5. Dancers must have a standing attendance of at least 80% of their weekly classes. Makeups may be used to improve attendance. If dancers drop below 80% attendance, they will be notified and placed on probation. Dancers will have 3 weeks to improve their attendance score before they are replaced or removed in their competition team dances.
6. Full Stage Makeup is required for all performances - makeup kits are available to purchase. Dancers must be wearing their competition makeup for all performances and competitions to keep a unified look for the entire team.
7. Demerits will be issued under the following circumstances:
   Missed Rehearsal (any) – 1 demerit
   Missed Rehearsal (week before competition) – 2 demerits
   dancers may request to Zoom or FaceTime into rehearsal without demerit
   Not Ready at Scheduled Arrival Time – 2 demerits per 30 minute increment
   Dancers who have not cleared their demerits (apart from 1) before the Wednesday prior to any dance competition or performance will be removed from their dances without refund of competition fees.
